MEMORANDUM FOR: Comptroller

SUBJECT : Record of Manpower Meeting, 18 February 1963

1. Attached for your information is a memorandum on our manpower meeting. I feel we made some progress, and in addition to the action indicated in paragraph 8, I would like to suggest the following:

a. As you become aware of manpower situations that seem to call for actions, I would appreciate your calling this to my attention so that we can actually begin the process of reallocating manpower.

b. I suggest we meet in six weeks or two months to see what progress we have made. I am sending a copy of this to the Director of Personnel and asking him, or his representative, to join us at our next meeting.

2. Also attached is a memorandum that I have suggested the DCI send to the Secretary of Defense.
